Mustacanus “Amara con gusto” Pilsner 33cl €6,00
Good hop aroma, with a full and balanced taste
between the sweet flavor of the malt and the present and
enveloping bitterness (5.4 °)

Mustacanus “Kentucky” Rossa 33 cl €6,00
The strong and decisive taste of tobacco perfectly meets the
flavors of malt, caramel and licorice merging into a unique taste
(6.6 °)

Mustacanus “Flos English Ipa” 33 cl €6,00
Delicate floral scents give way to a strong taste
balanced between malty tones (6.6 °)

Mustacanus “Hypatia” 33 cl €6,00
American Pale Ale style beer that is characterized by freshness
and drinkability. The white and compact foam contrasts with
the light amber color typical of the style. The citrus and floral
aroma opens in a balanced and natural way to a pleasant and
harmonious drink with a dry and light taste (5.3 °)
* Hypatia is Mustacanus' homage to the woman who has
become, over the centuries, a symbol of love for truth, reason
and science.

Hypatia is credited with making a fundamental contribution to
the invention of the instrument most used by brewers: the
hydrometer.

Mustacanus “Birra di Frumento” 50 cl €9,00
The dense and persistent foam protects the light honey-colored
body and the delicate scent of hops. Referenced in the bottle
without the addition of sugars and the suspended yeasts produ-
ce the opalescence typical of the style. (5.2 °)

Noam, Bavaria Berlin 33 cl €7,00
Amber gold color. Fruity floral aroma, like fresh hay.
A delicate and refreshing taste, like Japanese Juzu (5.2 °)
